JUROR APPRECIATION WEEK

The Superior Court of California, County of Kern is proud to celebrate Juror Appreciation Week, May 11–15, recognizing the dedication and service of jurors throughout our community.

Juror Appreciation Week was established by the California Legislature in 1998 to honor the important contributions of citizens who devote their time and effort to make the cherished right of trial by jury a reality. Each year, millions of Californians answer the call to serve, helping uphold the fundamental American ideal of a trial by jury. It's an ideal made possible only through the participation of community members.

Throughout the week, the Superior Court of California, County of Kern will join the Judicial Council of California in recognizing those who serve.

“Jury Services is honored by the commitment our jurors show every day,” said Jury Services Coordinator Daniel Tapia. “When community members take their seat in the jury box, they’re not just answering a summons they’re upholding one of the most powerful rights in our democracy. This week, we proudly offer a small token of gratitude for their service, which strengthens justice for everyone.”

Community members are randomly selected for jury service using information from the Department of Motor Vehicles, Voter Registration and Franchise Tax Board. If you are summoned to appear during Juror Appreciation Week, please know this is a special time of recognition, and we thank you for your service.
