Rule 1.13 Court Security Videos (Effective 7/1/21)

The Kern County Sheriff's Office (KCSO) is responsible for the safety and security of all persons entering the courthouse. This responsibility requires the KCSO to respond to all incidents involving safety and security. The KCSO may use video monitoring systems, placed in courthouse public hallways, waiting areas, and some courtrooms, as well as lockups and the Clerk's Office, to assist in the security of courthouses. Not all video is recorded. Recorded video is retained for only a limited period of time. The recordings are not an official record of court proceedings, and may not be used as such. (Government Code section 69957). Public disclosure of such recordings presents a security risk, as it will inappropriately disclose significant aspects of the KCSO's security plan. The video monitoring systems are under the control of Court Executive Officer, and any recordings from such systems are maintained in the custody of the Sheriff until they are routinely deleted.

No public disclosure of any recordings shall be made except by authority of the Court Executive Officer or his/her designee or order of Court. Any request for a recording must: (1) describe as narrowly as possible, the time, date, and location of the video sought; (2) the specific reasons disclosure is warranted; (3) why there are no other alternatives, and (4) proposals for minimizing the potential impact on overriding interests, including maintaining the court's security, litigants' rights to a fair trial, protection of minor victims and witnesses, privacy interests of jurors, protection of witnesses from embarrassment or intimidation, protection of attorney-client privilege, national security, and the maintenance of courtroom dignity and decorum. (NBC v. Superior Court (1999) 20 Cal.4th 1178, 1222, n. 46.)

Rule 1.14 Hazardous, Heavy, or Bulky Exhibits (Effective 7/1/21)

2. If the Court grants permission for an exhibit to be brought into the courtroom, without substitution:
- a) The exhibit must remain in a securely sealed condition and properly labeled as to the exact contents;
 - b) The party bringing the exhibit into the courtroom shall retain it and shall be responsible for it and shall be responsible for the storage of the exhibit in accordance with Penal Code section 1417.3; and
 - c) At the time of submission of the exhibit, the party or attorney shall also provide a corresponding photographic record of the exhibit for purposes of this standing order.
- (c) When a dangerous, heavy, or bulky exhibit that has been marked and identified or received in evidence poses a security, storage, or safety problem, the Court may order that all or a portion of it be returned to the party who offered it pursuant to Penal Code sections 1417.2, 1417.3 and 1417.5. Such evidence shall be returned by stipulation of counsel as provided in Penal Code section 1417.2, and the transfer shall be recorded in a minute order. In the case of exhibits offered by the prosecutor in a criminal case, the Court may order that the exhibits be returned to the law enforcement agency involved. If an exhibit by its nature is severable, the Court shall retain a portion of the exhibit not exceeding three (3) pounds by weight or one (1) cubic foot by volume and shall order the return of the balance of the exhibit to the district attorney pursuant to Penal Code section 1417.3.
- (d) Dangerous, heavy, or bulky exhibits that have been marked and identified or received in evidence at trial or a hearing in a civil case may be returned by the Court to the party who offered them, with an oral stipulation in open court or by written stipulation of the parties, in accordance with Code of Civil Procedure sections 1952(a) and 1952.2.
- (e) For all exhibits returned, a full and complete photographic record of the exhibit or the portion returned shall be provided by the offering party and substituted for the exhibit. The party or agency to whom the exhibit is returned shall be responsible for maintaining and preserving the exhibit until there is a final disposition of the action or proceeding. All exhibit tags and other identifying markings or information concerning each exhibit shall remain in place and shall not be disturbed. Each exhibit shall be maintained intact and in the same condition as during trial. In the event further proceedings of any Court having jurisdiction of the matter require the presence of the exhibit, the party or agency to whom it was returned shall promptly deliver the exhibit to the appropriate Court, with notice to all parties.

Rule 1.18 **Photographing, Recording and Broadcasting of Courtroom Proceedings** (Effective 1/1/23; rev. 7/1/25)

Photographing, recording, and broadcasting of courtroom proceedings must be conducted solely pursuant to California Rules of Court, rule 1.150 and this rule. This rule applies to the actions of the media, parties, lawyers, court employees, court security and the general public in taking, broadcasting, use and/or publication of sound and visual recordings of court proceedings (including the movement of all individuals and parties to and from such proceedings), both still and moving, whether by analog, digital, film magnetic tape or by any other means of recording and/or storage.

Consistent with case law and California Rules of Court, rule 1.150, no photographs, video recordings or audio recordings of courtroom proceedings may be taken anywhere in any courthouse facility, nor during any remote participation in courtroom proceedings, with any device capable of photographing, recording or broadcasting, unless permitted by an order of the Court.

Photographing, recording or broadcasting of any courtroom proceedings is permitted only if specifically authorized by the judge presiding over the involved proceedings, in an Order on Media Request to Permit Coverage (Judicial Council Form MC-510). The issuance of an order for the media, an attorney, a party, or a member of the public is within the discretion of the judge presiding over the involved proceedings. Each judge shall exercise his or her discretion as to what may and may not be appropriate or necessary to balance and protect the rights of litigants, witnesses, victims, the public and the media. There is no right to a hearing if a judge denies a request.

SUPERIOR COURT OF CALIFORNIA, COUNTY OF KERN

Notwithstanding this provision, parties to adoption proceedings may photograph, record or broadcast the proceedings unless otherwise ordered by the judge presiding over the proceedings.

No photographing, recording or broadcasting shall occur in the hallways of any courthouse in a manner to block or impede the flow of pedestrian traffic in and out of the courtrooms or in the hallways. If a court order (Form MC-510) is obtained, media activity shall take place in the designated media interview stations, as follows:

There shall be no photography, recording or broadcasting of proceedings held in chambers; proceedings closed to the public; jury selection; jurors or spectators; conferences between an attorney and a client, witness, or aide; between attorneys; or between attorneys and the judge at the bench.

This order is not intended to restrict the ability to photograph, film, record or broadcast from outside the entrances and exits of any courthouse facilities, provided such activity does not obstruct access to or from the courthouse facilities.

Rule 1.19 Demonstration, Distributions, Solicitation, and Other Expressive Activity (Effective 1/1/23)

To facilitate safe, peaceful, and orderly public access to courthouses unhindered by threats, confrontation, interference, noise pollution, or harassment that may be directed at court users including those court users waiting in line outside a courthouse, the Court must implement some content-neutral restrictions on expressive activity. This rule regulates only conduct occurring in and around court facilities without regard to the content of any particular message, idea, or form of speech. The Court does not intend to ban all expressive activities from the environs surrounding court facilities and intends that this rule be construed so as to provide for ample alternative channels for communication of information near but not within court facilities or on courthouse grounds.

(a) Definitions:

- 1. "Prohibited Activity" means the acts of demonstrating, protesting, gathering, picketing, parading, proselytizing or preaching, posting written materials, distributing literature or other materials to the general public, recording or broadcasting (other than news media recording or broadcasting which is covered by a different order), soliciting sales or donations, engaging in commercial activity, or engaging in oral or demonstrative protest, education, unhygienic activity, or counseling, unless otherwise authorized by this Order or the Court.

An appearance by the attorney or the parties is not normally required. In determining such fees, the court shall consider the experience of counsel, the time expended, the complexity of the issues, the amount involved and the results achieved.

Rule 3.7 **Selection of Monitoring Judge and Setting of Case Management Conference** (Effective 7/1/03; rev. 1/1/13)

At the time the complaint is filed, a monitoring judge shall be assigned and the clerk of the court shall set a case management conference ("CMC") for the case on said judge's calendar within 180 days. The clerk shall issue Notice of CMC date, time, and department by notation on the face of the complaint or by a separate Notice of CMC.

- (a) Plaintiff must serve the Notice of CMC (if not noted on the face of the complaint) on each defendant along with the summons and complaint. Any cross-complainant shall serve upon any new party to the action a Notice of CMC, along with the cross-complaint and summons thereon. Proof of service of the complaint or cross-complaint and summons shall include proof of service of a Notice of CMC if not noted on the complaint. (Effective 1/1/13)
- (b) The term "monitoring judge" as used in these rules shall include direct calendaring judges as well as judges who are assigned cases for "all purposes" by the Presiding Department. The monitoring judge to whom the case is assigned shall be responsible to move the case along to an orderly disposition under these rules. All motions provided for under these rules shall be made to the monitoring judge. If the assigned judge is operating a direct calendar court, the assignment shall be deemed for "all purposes." (Effective 1/1/13)

Rule 3.8 **Discovery** (Effective 7/1/03; renum. 1/1/13)

During the period prior to the case management conference, the parties are, at a minimum, to engage in the basic discovery necessary to determine the presence or absence of all necessary parties in the action, to determine the issues which are in actual controversy and those without substantial controversy, and to properly evaluate the case for meaningful settlement negotiations.

Rule 3.9 Final Case Management Conference (Effective 7/1/03; rev. 1/1/06; renum. 1/1/13; rev. 1/1/14)

- (a) At least five (5) days prior to any final case management conference set in advance of the day of trial but no less than fifteen (15) days prior to the date the matter is set for trial each party shall serve on every other party and submit to the court the following: (Effective 7/1/03; rev. 1/1/14)
1. Said party's proposed jury instructions. All parties are invited to use the Instruction Request form for the standard CACI instructions. If any standard instructions are not on the request form, or if any special instructions are going to be requested, they must be served with the request form. (Effective 7/1/03; rev. 1/1/06)
 2. All motions in limine in written form, together with any points and authorities in support thereof.
 3. A list of all witnesses that said party intends to call in his or her case in chief.
 4. A proposed generic statement of the case to be read to the jury at the beginning of the case.
 5. A list of all photographs, documents, physical objects or other tangible things that said party intends to have marked as an exhibit and introduced in evidence at the time of trial. (In matters where a final case management conference has been set, said items will actually be brought to the final case management conference for examination).
- (b) Prior to the final case management conference, or prior to the trial if no final case management conference is set, counsel will confer in an effort to resolve the jury instructions, issues raised in the motions in limine, the generic statement of the case, and the admissibility of the various photographs, documents, physical objects and other tangible things included in each party's exhibit list. In addition, counsel shall review the witness lists and make their best estimate of the time anticipated for the direct and cross-examination of each of the witnesses. Counsel will also attempt to work out stipulations concerning issues which are not contested. At the time of the final case management conference or at the time of trial, if no final case management conference is set, efforts will be made to resolve the remaining issues and, to the extent that they are unresolved by agreement, will be ruled upon by the court. Final Case Management orders shall be generated settling the jury instructions (subject to augmentation after the evidence is received), providing rulings on the motions in limine, providing for the admission of certain photographs, documents, physical objects or other tangible things, and settling the generic statement of the case. A master list of witnesses and the anticipated time involved for each witness will also be generated for use of court and counsel. Such other orders will be made as may be appropriate for the management of the anticipated trial.
- (c) All final case management documents shall be filed (pursuant to California Rules of Court, rule 3.1110) under a cover sheet which lists the documents submitted.

Rule 3.10 Disallowance of Interruptions (Effective 7/1/03; renum. 1/1/13)

Once the case has been assigned to a trial court by the Presiding Department or called to trial by a Direct Calendar Department, it shall proceed without interruption to conclusion. No adjournment will be allowed to explore settlement, conduct discovery, marshal evidence or prepare for the presentation of any subsequent portion of the trial, except in unusual circumstances without fault of the moving party where good cause is shown in the sound discretion of the trial judge. It is also anticipated that each party will have his or her witnesses available to present his or her case without interruption or delay. An unexcused inability of a party to proceed because of a failure to schedule

SUPERIOR COURT OF CALIFORNIA, COUNTY OF KERN

adequate witnesses, or otherwise, may result in sanctions being imposed, including a determination by the trial judge that said party has rested.

Rule 3.11 Differential Case Management (Effective 7/1/03; renum. 1/1/13; rev. 1/1/20)

Pursuant to California Rule of Court, rule 3.714(b), all general civil cases are subject to disposition within twelve (12) to twenty-four (24) months from date of filing of complaint.

Rule 3.12 Collection Cases (Effective 7/1/03; rev. 1/1/07; renum. 1/1/13)

In the event that during the pendency of the action, whether the defendants have appeared or not, the parties agree to resolve that matter with a program of periodic payments, all monitoring and time requirements can be terminated, provided that the conditions in (a) through (d) below are met. If the periodic payment agreement satisfies these conditions, the case will be deemed “disposed of” and will no longer be monitored. (Effective 7/1/03; rev. 1/1/07)

- (a) The parties file with the court a written stipulation and agreement setting forth in detail the terms of the periodic payments which, if made, will fully satisfy the obligations which generated the litigation.
- (b) That the stipulation and agreement further provide that on full performance of the agreement by the defendants, plaintiff will request a dismissal of the entire action with prejudice; and in the absence of such a request, the court may dismiss the action on its own motion, without notice to the parties, after forty-five (45) days has expired from the due date of the last payment unless plaintiff, within that time, requests entry of judgment as provided in Subparagraph (c).
- (c) That the stipulation and agreement further provide that in the event defendant fails to make any of the payments required, plaintiff may, by written declaration, notify the court of defendant’s default and the amount then due under the agreement and request that the court enter judgment accordingly, together with costs of suit.
- (d) That the stipulation and agreement be unconditional so that a judicial determination will not be required and the court’s only remaining function in the case would be to enter a dismissal as provided in Subparagraph (b) or a judgment as provided in Subparagraph (c).
- (e) That the parties shall file with the court a request for dismissal without prejudice reserving to the court jurisdiction to set aside such dismissal to enter judgment as provided in (c) hereof.

Rule 3.12.1 Application of Rules 3.12.2 and 3.12.3 (Effective 1/1/08; renum. 1/1/13)

Rules 3.12.2 and 3.12.3 apply only to those cases designated on the civil case cover sheet as Rule 3.740 collections.

Rule 3.12.2 Time for Filing (Effective 1/1/08; renum. 1/1/13; rev. 7/1/14)

- (a) All named defendants must be served and a proof of service must be filed or an order for publication of the summons must be obtained as to each named defendant within one hundred eighty (180) days of the date of filing of the complaint. (Effective 1/1/08; renum. 1/1/13)
- (b) At the time the complaint in Rule 3.740 collection action is filed, the clerk shall issue an order to show cause to the plaintiff designating a date of hearing on the order to show cause not less than one hundred eighty (180) days nor more than two hundred (200) days after filing, for compliance with Rule 3.740(d), and not less than three hundred forty (340) days and nor more than three hundred sixty (360) days after the date of filing of the complaint, for compliance with Rule 3.740(f). If not less than ten court (10) days prior to the order to show cause the

SUPERIOR COURT OF CALIFORNIA, COUNTY OF KERN

plaintiff files a proof of service or an order for publication of the summons as to each named defendant or answer or other responsive pleading filed by each named defendant in compliance with Rule 3.740(d) or a default judgment, a request for dismissal of the entire action, a stipulated judgment or stipulation for entry of judgment, or a notice of settlement in compliance with Rules 3.740 and 3.741, the order to show cause will be vacated by the clerk. (Effective 1/1/08; rev. 7/1/14)

Rule 3.12.3 Case Management Conferences (Effective 1/1/08; renum. 1/1/13; rev. 7/1/15)

- (a) Upon the filing of an answer or other responsive pleading by any named defendant in a collections case, the clerk shall set a case management conference not less than ninety (90) days following the date of filing of the first answer or responsive pleading. The clerk shall give notice to all parties appearing in the action of the date, time and department of the case management conference.
- (b) The plaintiff shall serve written notice of the case management conference on any parties appearing in the action after service of notice of the case management conference by the clerk.
- (c) All parties who have appeared in the action shall file with the court and serve on all parties a case management statement no less than fifteen (15) days prior to the date of the case management conference. Failure to timely file and serve a case management statement constitutes a waiver of any objection to action taken by the court at the case management conference, including setting the case for trial, ordering the case to judicial arbitration, or setting a mandatory settlement conference.
- (d) If, based on its review of the written submissions of the parties and such other information as is available, the court determines that appearances at the conference are not necessary, the court may issue a case management order and notify the parties that no appearance is required.
- (e) At the case management conference, counsel for each party and each self-represented party must appear personally or by telephone as provided in California Rules of Court, rule 3.670 and 1.1.1 of these rules; must be familiar with the case; and must be prepared to discuss and commit to the party's position on the issues listed in Rules 3.724 and 3.727 of the California Rules of Court. (Effective 1/1/08; rev. 7/1/15)

Rule 3.13 Uninsured Motorist Cases (Effective 7/1/03; renum. 1/1/13)

- (a) At the time of filing a complaint for personal injury or wrongful death or at any time thereafter, plaintiff may file a declaration with the court establishing the items set forth in (1) through (4) below. On receipt of such a declaration, the court may classify the case as “uninsured motorist”.
 - 1. All the named defendants are believed to be uninsured, and the action is filed to protect the running of the statute of limitations in the event that insurance is later discovered or plaintiff, after filing the action, has learned that all the defendants are uninsured.
 - 2. Plaintiff is proceeding to arbitration with his or her insurer under the uninsured motorist provision of his or her insurance policy and does not intend to proceed in the action against the uninsured defendants.
 - 3. In resolving the case with the defendants, it has been determined that defendants were underinsured within the meaning of plaintiff's policy which provides underinsured motorist's coverage.

SUPERIOR COURT OF CALIFORNIA, COUNTY OF KERN

4. Plaintiff's counsel has sought from plaintiff's insurer a concession of uninsured status of defendant to avoid the filing of the action or to dismiss it and plaintiff's insurer has refused.
- (b) Cases classified as uninsured motorist will be placed on a review calendar and plaintiff will file a certificate of progress every 90 days advising the court of the status of his claim against his insurer and the progress of the arbitration proceeding, if any.
- (c) In the event that plaintiff's claim against his insurer is not resolved within 180 days after being designated uninsured motorist, the court may require plaintiff's counsel to appear for a hearing to determine when the matter will be resolved and the action dismissed or reclassified as general civil litigation.
- (d) When plaintiff's claim is resolved against his insurer, plaintiff's counsel shall give notice to the insurer that the action is pending in this court and shall seek consent from the insurer to dismiss the action. The notice shall contain the complete title of the cause, case number and a statement to the effect that the case is governed by these Rules and that, effective as of that date of the notice, the case is reclassified as general civil litigation and a proof of service or certificate of progress is due sixty (60) days therefrom under California Rule of Court, rule 3.110. In filing the original of such notice with the court with appropriate proof of service, plaintiff's attorney shall provide the court with the name, address and phone number of the appropriate representative of plaintiff's insurer. The filing of such a notice with the court does not preclude the need to file a formal substitution of attorneys unless plaintiff's attorney intends to remain of record.

The Kern County Superior Court encourages civil litigants to resolve controversy by means of Alternative Dispute Resolution (ADR), such as mediation, early neutral evaluation, and arbitration. Kern County Superior Court requires mandatory judicial arbitration pursuant to California Rules of Court, rule 3.811. Thus, the parties in all civil litigation cases in which the parties agree or the court finds the amount in controversy as to each individual plaintiff is \$50,000 or less, shall participate in judicial arbitration prior to the matter proceeding to trial unless the court finds that the parties are not amenable to arbitration because the parties have participated effectively in an alternate ADR process or for some other reason. (*See* California Rules of Court, rule 3.811)

Rule 3.14.2 Order to Show Cause (OSC) Procedure (Effective 7/1/03; rev. 7/1/10; rev 7/1/11; renum. 1/1/13; rev. 1/1/15)

At the time of the Case Management Conference (CMC), the court shall refer the matter to judicial arbitration under the California Rules of Court (See California Rules of Court, rules 3.800-3.830). The court may set the case for an OSC as to why arbitration has not occurred within ninety (90) days of the assignment date set by the clerk.

Rule 3.14.3 Assignment/Election to Arbitration (Effective 7/1/03; rev. 7/1/10; rev. 7/1/11; renum. 1/1/13; renum. 1/1/15)

Cases assigned to court-ordered arbitration or for which arbitration has been elected by all plaintiffs or by stipulation of the parties, shall be assigned to an arbitrator from the Kern County Superior Court Arbitration Panel in accordance with California Rules of Court, rule 3.815(b), unless all parties have stipulated to a particular arbitrator from the Kern County Superior Court Arbitration Panel prior to the CMC, the selected arbitrator has agreed to serve as arbitrator in the matter, the

SUPERIOR COURT OF CALIFORNIA, COUNTY OF KERN

selected arbitrator has agreed to have the arbitration completed within the time set forth in Rule 3.14, and the court is apprised of the selection of the arbitrator in the CMC statement or at the time of the CMC.

Submission of a case to judicial arbitration under the California Rules of Court does not affect the time period specified in the Trial Court Delay Reduction Act (Government Code section 68600 et. seq.), except that upon written request of all parties filed with the court, the court may, in its sole discretion, order an exception of up to 90 days to the delay reduction time standards to permit arbitration of an action. (Effective 1/1/10; rev. 7/1/10; rev. 7/1/11; rev 1/1/15)

Rule 3.14.7 Procedure for Handling Complaints about Arbitrators on the Court's Panel (Effective 1/1/10; rev. 7/1/10; renum. 1/1/13; rev. 1/1/15)

These rules establish the court's procedures for receiving, investigating, and resolving complaint about arbitrators listed on the court's panel. Nothing in these rules should be interpreted in a manner inconsistent with the California Rules of Court or as limiting the court's inherent or other authority, in its sole and absolute discretion, to determine who may be included on or removed from its lists of arbitrators. These rules also do not limit the court's authority to follow other procedures or take other actions to ensure the quality of arbitrators who serve in any court ADR program in contexts other than when addressing a complaint. The failure to follow a requirement or procedure in these rules will not invalidate any action taken by the court in addressing a complaint.

SUPERIOR COURT OF CALIFORNIA, COUNTY OF KERN

Division. The petition should be styled as a “Petition to Preserve Assets Under Penal Code section 186.11,” or similar designation. The filing of the petition commences a new proceeding. The clerk's office will assign the petition an “FP” case number.

2. The petition must contain the allegations required under Penal Code section 186.11(d)(2), including the specific assets and property to be affected by an order under Penal Code section 186.11.

(b) Case Designation:

All notices, applications, pleadings, claims, supplemental petitions, and papers filed in the proceeding under Penal Code section 186.11 must list the assigned “FP” case number on the front page of the filing, and must also list the criminal proceeding case number to which it is pendent, e.g., “Case no. FP00000X [Pendent to BF00000X].”

(c) Order to Disclose Account Information; Supplemental Petition:

1. A prosecuting agency seeking an order requiring the disclosure of account information under Penal Code section 186.11(d)(S) must file an application for the order, which may be filed ex parte. The application should be styled as “Application for Order Disclosing Account Information Under Penal Code section 186.11(d)(S),” or similar designation. A proposed order must accompany the application. The application and proposed order will be submitted to a judge for review and action.
2. A supplemental petition identifying account information must contain the information required by Penal Code section 186.11(d)(S). A supplemental petition should be styled as a “Supplemental Petition Identifying Account Information,” or similar designation, and successive supplemental petitions should indicate if previous supplemental petitions have been filed, e.g., “First Supplemental Petition Identifying Account Information,” “Second Supplemental Petition Identifying Account Information,” etc.

(d) Verified Claim by Person Claiming Interest in Property:

Any claim that is filed by a person who claims an interest in assets or property described in a petition, supplemental petition, or order granting provisional or protective relief, must be verified. A verified claim must describe the asset or property in which the person claims an interest, and state the nature and amount of that interest. A verified claim submitted to the court for filing should be styled as “Claim of [name of claimant] Asserting Interest in Property.” A verified claim submitted to the court for filing must be accompanied by a proof of service on the prosecuting agency.

(e) Hearing on Motion or Order to Show Cause (“OSC”) re: Preservation of Property; Temporary Restraining Order (“TRO”):

1. Concurrent with or subsequent to the filing of a petition under Penal Code section 186.11(d)(2), a prosecuting agency may schedule a hearing to obtain one or more orders described in Penal Code section 186.11(e) by: (a) serving and filing a noticed motion, or (b) obtaining from the court and serving an order to show cause (“OSC”). Hearing dates on noticed motions must be cleared with the Criminal Division before the motion is filed. An OSC may issue upon application to the court, which must describe the relief sought and applicable legal authority. An OSC may be issued ex parte, and the application must be accompanied by a separate proposed order. The proposed order should be styled as “Order to Show Cause re: Preliminary Injunction,” or similar applicable designation, and should leave space for the court to insert the date, time and place of the hearing.

SUPERIOR COURT OF CALIFORNIA, COUNTY OF KERN

2. Pending the hearing on the noticed motion or OSC to obtain one or more of the orders described in Penal Code section 186.11(e), a temporary restraining order (“TRO”) may issue, ex parte, upon application of the prosecuting agency. The application for a TRO must consist of: (a) an application describing the relief sought and applicable legal authority, (b) the sworn declaration of a peace officer required by Penal Code section 186.11(f)(l), and (c) the proposed TRO. Because the TRO is issued “pending” the hearing, it is limited in duration. The proposed TRO must include provisions that it is issued “pending the hearing on” the motion or OSC, and that the TRO “expires on” the date set for hearing on the motion or OSC, “unless the expiration date is extended by court order.” If the TRO is sought concurrently with the application for an OSC, the TRO may be included as part of the OSC.

(f) Request for Hearing by Defendant or Claimant:

1. A defendant or a claimant who has filed a verified claim, who seeks a hearing under Penal Code section 186.11(f)(2) to determine if a TRO should remain in effect, or if other relief should be granted, must serve on the prosecuting agency and file with the court a request for hearing.
2. The defendant or claimant should contact the Criminal Division clerk to clear a hearing date.

Rule 5.3.6 Police Reports Concerning Confidential Personal Information (Effective 7/1/21)

In accordance with Penal Code section 964 and the public policy set forth therein, prosecutors and law enforcement agencies should not submit police reports, arrest reports, or investigative reports containing “confidential personal information” (as defined in subd. (b) of Penal Code section 964) of victims or witnesses to the court in support of a criminal complaint, indictment, or information, or in support of a search or arrest warrant. Rather, prosecutors and law enforcement agencies should present the court with written declarations from law enforcement officers that are devoid of this confidential personal information.

In the alternative to providing declarations to the court, the parties may submit copies of police reports, arrest reports or investigative reports that are redacted of all “confidential personal information” of victims and/or witnesses. The redacted copies of these reports provided to the court must be attached to a declaration attesting to the fact that all “confidential personal information” of victims and/or witnesses has been effectively redacted from the reports.

The Court will not undertake the task of redacting any confidential personal information of victims or witnesses from documents submitted for the Court’s consideration. The burden to ensure that this information is not included within any documents presented falls squarely on the agencies preparing and presenting them to the court. In this respect, the Court may exercise its discretion to accept or reject a police, arrest, or investigative report containing confidential personal information that is submitted in support of a criminal complaint, indictment, or information, or in support of a search or arrest warrant.

Rule 5.3.7 Access to Previously Filed Reports in Criminal Cases by Counsel of Record (Effective 1/1/23)

Upon a request submitted to the Clerk's Office, and without further order of the Court, such reports will be provided to the petitioner's attorney of record and the Office of the Kern County District Attorney. The reports received by counsel shall not be released to the public, and standard court costs and fees for the production of documents will apply.

Rule 5.3.8 Bail Schedule (Effective 1/1/23)

Under Penal Code section 1269(b)(d), the Presiding Judge may appoint a committee of judges to prepare, adopt, and annually revise the uniform countywide schedule of bail for all bailable felony offenses and for all misdemeanor and infraction offenses except Vehicle Code infractions. The bail schedule will be deemed adopted by the Court upon approval by a majority of the judges appointed to the committee at the time of review. The schedule will be effective on the date adopted or as specified by the approving judges.

Rule 5.3.9 Trial Jurors Identifying Information (Effective 1/1/25)

As directed by the Judge after a criminal jury's verdict is recorded, attorneys are required to collect and place any personal identifying information of trial jurors from their notes into separate envelopes. This includes any information stored electronically. Counsel must print out the electronic information, erase the electronic records, and include the printouts in the envelopes. Chapter VII. Juvenile Court Matters

Preamble Both dependency and juvenile justice cases are heard at the Juvenile Justice Center (“JJC”). These rules do not include juvenile traffic hearings or traffic hearing appeals. (Effective 1/1/20)

Section One – General Provisions

Rule 7.0 Jurisdiction (Effective 1/1/20)

- (a) Welfare and Institutions Code section 304 gives the juvenile court jurisdiction during the pendency of a juvenile dependency matter over all issues in proceedings under the family law and probate codes that affect the custody of children. Therefore, there should be a determination at the earliest possible time whether a related family law or probate case is pending in another court.
- (b) Consistent with Welfare and Institutions Code section 204, and the California Rules of Court, rules 5.440 and 5.445, it is the policy of the court to identify related cases that involve the same minor children, as such is in the best interest of children and victims appearing before the juvenile, family, criminal and probate courts and the public interest, to eliminate barriers to the exchange of essential information and data about the children and families they serve, and to avoid substantial duplication of resources by the family, courts as well as by the investigative and supervisory agencies serving the juvenile, family, criminal and probate courts.

Rule 7.0.1 Ex Parte Orders (Effective 1/1/20)

- (a) Before submitting ex parte orders to the judge or referee for approval, the applicant must give notice of, and a copy of the application for ex parte orders, to all counsel, or explain the reason notice has not been given.
- (b) An opposing party must present any written opposition to a request for ex parte orders to the courtroom clerk within 48 hours of receipt of notice or may have their opposition noted on the ex parte application form. Unless the court is advised there is no objection, the ex parte request will be heard or decided no sooner than 48 hours after its submission. The Court may render its decision on the ex parte application or set the matter for hearing, unless an opposition is filed in which case the matter will be set for a hearing. The applicant shall notify all persons entitled to notice of any hearing date set by the court.
- (c) Notice may be dispensed with, if following a good faith attempt, notice is not possible, or if the opposing parties do not object to the requested ex parte orders.

The guardian ad litem for the child may be an attorney, a CASA, or a responsible adult who is not the child's parent or social worker. acceptable to all parties. Juvenile dependency mediation provides the parties an opportunity to re-frame their relationship from that of adversaries to cooperative partners. (Effective 7/1/03; rev. 1/1/20)

The mediator will meet with the parents or guardians, with the Department of Human Services' Social Worker and/or supervisor, and with counsel for all the parties including the child(ren) to discuss their issues and concerns. No agreement will be made without the input of the interested parties and their concurrence. Children may attend juvenile dependency mediation sessions with their attorney's consent. CASA representatives may attend sessions of the children for whom they are appointed. Support persons may also be included in juvenile dependency mediation provided child's counsel waives the child's right to confidentiality, the parents agree to the support person's participation and the support person is a relative, a non-relative extended family member, a counselor or member of the clergy. All parties and CASA representatives are relieved of confidentiality restrictions while participating in juvenile dependency mediation.

Juvenile dependency mediators have a duty when confronted with serious threats of violence against reasonably identifiable victims not previously reported, to make reasonable efforts to communicate such threats to the victim or victims and to a law enforcement agency. Rule 9.4 Modification of Criminal Protective Orders (Effective 1/1/06)

Rule 9.4.1 Intended Use of This Rule (Effective 1/1/06)

This rule is intended to apply to situations in which a custody or visitation order has been issued in the Civil Court which creates a conflict with an existing CPO or where a party wishes to seek from a Civil Court an order for custody and/or visitation which would create a conflict with an existing CPO.

Rule 9.4.2 Restrained Person's Procedure to Request Modification of the CPO (Effective 1/1/06)

If a person restrained by a CPO has obtained or intends to obtain an order from the Civil Court for custody of or visitation with a minor child of the parties, in conflict with the CPO, the restrained person must first seek a modification of the CPO from the Criminal Court. The Criminal and Civil Courts may consult regarding any modification. After the hearing, if any modifications of the CPO are made by the Criminal Court, the issuing Criminal Court's clerk shall inform any other court that has issued orders for custody and visitation or that has jurisdiction over custody and visitation of the children.

Rule 9.5 Requirements of Penal Code Section 136.2(f)(1) and (2) (Effective 1/1/06; rev. 1/1/20)

A Civil Court order may coexist with a CPO subject to the following conditions:

- (a) Any order that permits contact between the restrained person and his or her children shall provide for the safe exchange of the children and shall not contain language either printed or handwritten that violates a "no contact order" issued by the Criminal Court.
- (b) Safety of all parties shall be the court's paramount concern. The Civil Court shall specify the time, date, place, and manner of transfer of the child as provided in Family Code section 3100.

Rule 9.6 Protective Orders; Transmittal/Entry in CLETS; Modifications; Terminations (Effective 7/1/12; rev. 7/1/20)

- (a) Notwithstanding other statutory requirements, any motion or request submitted for filing for the purpose of modifying or terminating a protective order issued pursuant to Sections 6221 or 6401 of the Family Code; sections 527.6, 527.8, 527.85 of the Code of Civil Procedure; or sections 213.5, 304, 362.4 , or 15657.03 of the Welfare and Institutions Code, or Penal Code section 136.2 must include the at time of submission, the appropriate completed “proposed” Restraining Order After Hearing form adopted by the Judicial Council of California and approved by the Department of Justice.
- (b) The Court shall, upon granting a motion to modify or terminate the protective order, expedite the filing and entry of Restraining Order After Hearing form for transmittal and/or entering into CLETS in accordance with statutory authority and timelines.
